A DAY TRIP ALL AROUND ALTON, ILLINOIS

October 20th, 2009

The drive along the Meeting of the Great Rivers National Scenic Byway has been hailed as "one of the most scenic drives in the fall" according to the Midwest Living Magazine. There is no better time to visit than the fall for a "Freshly Fallen Adventure" that you will love.

Our day consists of:

~ **Touring the Beall Mansion** that was built as a wedding gift by Railroad Baron and Entrepreneur Z.B. Job in 1903.

~ **Eckert's County Store and Farm** where we will take a wagon ride to the orchard to pick our own apples.

~ **Lunch at Pere Marquette** where they are famous for their family-style fried chicken dinner.

~ **Grafton Winery** where we will sip on a variety of wines that they have to offer.

~ **Great Rivers Tour Boat Cruise** where we will experience the mighty Mississippi River up close and personal with its natural surrounding of towering limestone bluffs and wildlife.

All this for the low cost of **\$80.00/person.**

Deadline to sign up for this trip is September 1st.

**Will need 30 people to sign up or the trip will be cancelled.

Mid America Bank supports the American Heart Association

You may have noticed our heart decorations throughout all of the facilities. These were made by students at St. Thomas School, our Partners in Education, to raise awareness for the American Heart Association. From April until August, bank employees have been raising money for the Heart Association by paying to wear jeans on Fridays and selling Hearts to customers for \$1. Bank employees have also been able to take walks during the day, helping to make this a healthier work place. If you see us out walking, be sure to give us a honk!

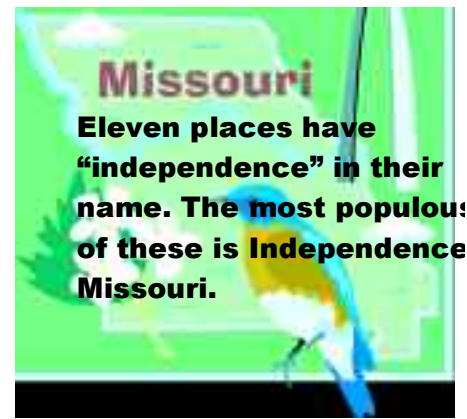

If you would like to join us in supporting the American Heart Association stop by any of our facilities to make your donation.
