Mid America Bank Hires Clark as Loan Officer

Jefferson City, MO – Mid America Bank is pleased to announce Trace Clark has accepted the position of Loan Officer in Belle. Clark will be responsible for helping clients with their lending needs, building lasting relationships, and supporting the bank's continued growth in the communities we serve.

With roughly three years of banking experience, Clark has quickly found his place at Mid America Bank. As a lifelong resident of Central Missouri, he appreciates the bank's commitment to putting its communities first. That same spirit carries the bank's welcoming culture, which made him feel right at home from the start. He enjoys the connections he makes with people and helping them reach milestones, from buying their first car to purchasing their first home. Clark wants prospective clients to know that at Mid America Bank, they will receive the best customer service from top to bottom, from deposits to loans and all their future banking needs.

Clark and his wife, Brittany, welcomed their first child, Tripp, in March. Outside of work, he enjoys spending time with family and friends, hunting, and sports. He also gives back locally as a member of the Vienna Eagles Athletic Booster Club.

Mid America Bank is delighted to welcome Trace Clark to the team!
