

Travel Safety Checklist

DEBIT CARD & ACCOUNT PROTECTION

Travel Smart. Bank Safe. Enjoy Your Trip.

Before You Leave

- Notify your financial institution of travel dates and destinations
- Verify your phone number and email are up to date
- Download and test your mobile banking app
- Set up account transaction alerts
- Enable two-factor authentication

Before You Leave

- Bring a backup payment method
- Memorize your PIN
- Review daily spending and withdrawal limits
- Save your institution's contact number
- Pack cards in a secure location

While Traveling

- Monitor account activity daily
- Use secure, well-lit ATMs
- Avoid public WiFi when accessing accounts
- Keep debit cards within sight during purchases
- Lock your card immediately if misplaced

International Travel

- Confirm your debit card works internationally
- Understand foreign transaction fees
- Carry local currency for emergencies
- Keep a copy of important travel and banking contacts

If Fraud or Loss Occurs

- Report suspicious transactions immediately
- Turn off your debit card
- Update passwords if account access is compromised
- Follow up on fraud claims and account activity

STAY ALERT. STAY PROTECTED.
Your vigilance is your best defense against fraud.
If something doesn't look right, contact us right away.
